## 2. PRACTICE RULES

### 2.1. Authorized Activities

- a) Dragon Boats may be used for crew practices, races, or other authorized activities only. In particular, use of any FCRCC boats to view fireworks displays or other public events is strictly prohibited.
- b) No Dragon Boat may be paddled or otherwise taken West of the Granville Street Bridge.
- c) Drumming during practices is only permitted in the area of False Creek East of the Cambie Street Bridge.

### 2.2. Dock Logistics

- b) All Dragon Boats are stored at Sea Village. A Team must move their assigned boat to the dock in Alder Bay before Practices and move it back to Sea Village after Practices, except as noted below.
  - A Team may leave their boat moored at the Alder Bay dock if they have identified and contacted a team waiting on-site (or near the False Creek Community Centre), and which is assigned their boat for the following Practice Slot.
- c) A maximum of six (6) paddlers are permitted to pick up or return a Dragon Boat at Sea Village; the paddlers doing so must be as quiet as possible, as it is a residential area.

### 2.3. Special Events

- a) With as much notice as possible, FCRCC may cancel any scheduled Practice, in the event of conflict with any regatta held or supported by FCRCC. No monetary compensation will be made for any Practices cancelled due to conflict.
  - Traditionally, FCRCC provides dragon boats for the following regattas:
    - The FCRCC Spring Regatta and the False Creek Women's Regatta in May (one day each)
    - The Rio Tinto International Dragon Boat Festival in June (all weekend)
- b) Any cancelled Practice can be rescheduled if a request is made within a week of the cancelled Practice, and if it is feasible to do so.

### 3. SAFETY and EQUIPMENT USAGE RULES

- 3.1. Teams are required to familiarize themselves with and observe the Safety and Equipment Usage Rules in this Agreement, which are also posted on the FCRCC web site, and which FCRCC may update from time to time.
- 3.2. No more than the maximum carrying capacity of the Dragon Boat may be in the boat at any time:
  - 20 paddlers plus Steer, and Caller or Coach, in a BuK
  - 24 paddlers plus Steer, and Caller or Coach, in a standard 6/16
  - or as limited by the number of paddler benches, or other factors
- 3.3. A certified Steersperson must be steering the Dragon Boat, during all Practices and races.
  - Contact the FCRCC Office for information on obtaining steering certification.
- 3.4. In accordance with Transport Canada Maritime regulations (refer to the TC Safe Boating Guide), there must be **one (1) Personal Flotation Device (PFD) per person in the boat at all times**. PFDs must be worn at all times during winter paddling months (October 15th to April 15th) and when it is dark. **This applies to ALL paddlers, regardless of skill level.**
  - PFDs and paddles are located in the Kayak shed (East of the tennis courts). These are available to all Team Members during their Practices, and must be returned to the shed after Practice and stored in the designated areas: paddles in the racks, and PFDs hung up on the hangers.
- 3.5. Lights meeting the applicable Transport Canada regulations are mandatory for all Practices between Dusk and Dawn. The Steersperson is responsible for having such lights on his/her Dragon Boat, and the operator of the Coach Boat is responsible for having such lights on that.
  - Suitable lights are provided by FCRCC, located in the Kayak shed.
  - Teams may also use their own TC-approved lights.
- 3.6. A Safety Kit meeting the applicable Transport Canada regulations must be carried on Dragon Boats & Coach Boats, during Practices.
  - Suitable Kits are provided by FCRCC, located in the Kayak shed.
  - Teams may also use their own TC-approved Kits.
- 3.7. Coach Boat & Motor
  - a) Coach Boat operators must have a valid Transport Canada Pleasure Craft Operator's Card ("PCOC"); a photocopy of this must be submitted to the FCRCC Office prior to using any motorized boat.
  - b) No person shall operate a Coach Boat and the video camera at the same time. It is recommended that there be a spotter in the Coach Boat, in addition to the boat operator, when it is being used before Dawn or after Dusk.
  - c) The Coach Boat & Motor must be put back in their respective storage lockers after Practice, with their anti-theft mechanisms engaged.
    - A Team may leave their Coach Boat moored at the Alder Bay dock if they have identified and contacted a team waiting on-site (or near the False Creek Community Centre), and which is assigned that boat for the following Practice Slot.
  - d) The Motor **MUST** be properly flushed after every use, before it is put back in storage.
    - Teams not adhering to this rule will lose Practice privileges, and may be charged for the costs of repairing a seized Motor.
    - If an orientation session on how to use the Coach Boat and/or on flushing the Motor is needed, contact the Equipment representative (equipment@fccrcc.com).

### 3.8. Security

- a) FCRCC will issue two keys to each Team, for opening the equipment sheds. Teams are required to ensure that the sheds are either locked, or are being accessed by other FCRCC Members, before leaving the shed.
  - Failure to ensure the security of FCRCC equipment may result in the loss of paddling privileges.

### 3.9. Care of Equipment

- a) If there are any deficiencies in a boat or any equipment, it must not be used for a practice session, and FCRCC's Repair staff ([repairs@fcrcc.com](mailto:repairs@fcrcc.com)) must be notified immediately. This also applies for equipment damaged during a practice session.
- b) Marathon and Outrigger Canoes used by individual paddlers must be rinsed and drained before being placed back on the boat racks.

### 3.10. False Creek Community Centre

- a) While using FCCC facilities, all normal FCCC rules must be followed – in particular, the fireplace lounge must not be used for a meeting or team assembly room.
  - Teams wishing to use a meeting room at the FCCC can submit a booking request via the FCRCC Office, in order to benefit from the discounted rate available to FCRCC.
- b) The Community Centre may offer discounts to FCRCC Members for access to the fitness room or various programs. Check with the Community Centre to get the current information.
